### Christmas Bars

**Pine Needles & Binh Duong** - Our Christmas special brings the experience of a pine forest covered in deep snow.. the distinct pine aroma brings this unique winter feeling, while the magical Binh Duong pepper from Vietnam adds a hint of spice and warmth to the scene. The feeling of a forest covered in snow.

**Maple Pecans** - this bar combines the sweet, toffee and slightly smokey taste of the maple syrup with the deliciously nutty and buttery pecans. A hint to sweet childhood moments when the weather gets cold and the holiday spirit fills the air.

### Christmas Cacao Tea Blend

Our fragrant Christmas Cacao Tea Blend pairs the delicately chocolatey cacao husks with the warm cinnamon and orange peel for a warming and comforting cacao tea.

## Chocolate-coated Almonds

The delicate chocolate-coated almonds bring a rich and decadent bite. From the roasted almonds, to the sweet caramel and the dark salty rich Single Origin chocolate.

## Spiced Hot Cocoa

Our single origin Dak Lak cocoa has been infused with spices such as allspice, cinnamon and ancho chilli for a flavourful and warming blend. An homage to the way cacao was consumed 5000 years ago, this hot cocoa brings a warm cozy feel that is much appreciated in winter.

## Acan

The smooth, fruity chocolate notes with a smokey-honey finish of Acan are not an experience which was possible before the past 10 years' boom in cacao quality. Today we get to celebrate craftsmanship in this silky rich Dark Chocolate Liqueur. Best served on the rocks, 4-5 servings in a bottle.

## Criminal Bar

Our criminal bar is so good, it should be criminal. This bar like a large bonbon and meant to be shared. The inside is filled with a thick layer of hazelnut ganache and dotted with whole roasted hazelnut. A truly luxurious and decadent bar.

## Christmas Hamper

Our Christmas hamper is made of a two-tiered traditional fruit basket and includes our Christmas bars, our chocolate-coated almonds, our Christmas Cacao Tea and our spiced hot cocoa..
